Good afternoon Tina Tving Stauning. I am Oleksiy Dyachenko, Head of the Vasylivka Development Agency, Zaporizhzhia Oblast, Ukraine.

In this difficult time, when our country is fighting Russian aggression, defending democracy and freedom, our community needs your help and support more than ever. We are grateful to the Danish government and people for their military and economic support, and appreciate your help in providing housing for our residents.

On the way to European integration of our country, we are interested in learning from your experience and look forward to deepening cooperation between the municipality of Frederikssund and Vasylivka in the areas of culture, education, tourism and economic development. In order to strengthen these ties, we propose to consider signing a memorandum of partnership between the cities.

Sincerely,

Head of the Development Agency

Oleksiy Dyachenko
